Lynch's Market, Exchange Street.

MAINE REED CLUB

Formed at Portland Wednesday Amid Enthusiasm.

Governor Cleaves Elected President of the Influential Organization.

A Large Delegation Will Attend Republican Convention at St. Louis.

PORTLAND Jan 15 There was a large attendance of leading Republicans from all over the State at the rooms of the Lincoln Club this afternoon for the formation of a State of Maine Reed Club. Gov Cleaves presided.

The object is to form a great party to attend the St. Louis convention and to further Mr Reed's candidate in every available way.

There were upwards of 300 delegates from out of town at the formation of the club and a large attendance of Portland Republicans. The meeting was called to order in the Lincoln Club rooms, but on account of the lack of room was adjourned to City Hall. Hon. Gov Cleaves was elected president and made a brief and spirited address. Then a committee was appointed, one from each county, to present a constitution and by-laws. Their report was adopted and the following officers were chosen:

President, Gov. Henry B. Cleaves, Secretary, Col. Thomas P. Shaw, Port Treasurer Hoo W. F. Milliken, Port land.

Also a vice president from each county.

A member from each county was appointed as a committee on transportation and accommodation, an executive committee and financial committee.

Speeches were made by Hon. W. W. Thomas, of Portland, Hon. Charles E. Littlefield, of Rockland, Judge A. R. Savage, of Auburn, Hon. W. Haines, of Waterville, and others.

The object of this club is to secure a large attendance at the St. Louis convention. The club will have 600 members from the start and it is probable that fully that number will go from Maine to St. Louis. There was great enthusiasm at the convention.

SILVER DESTITUTION.

Thousands of Families are Starving in Newfoundland.

JOHN, N. P., Jan. 16 Reports of severe destitution come from all parts of the country. The Telegraph says the government are sending money to help those families who are starving in this city, and urges that prompt measures be taken to save hundreds who are perishing.

Three schooners were driven ashore at Trinity during the gale yesterday. They are still there.

The western shore frozen herring fishery is a total failure owing to the cold weather. Only a few American vessels have been loaded

at the convention.

After an executive session the Senate adjourned until tomorrow with the understanding that the adjournment tomorrow would be until Monday.

In the House.

The House in committee of the whole returned consideration of the general revenue bill. Ex-Senator Grow, representing the 1st district, from Portland, moved by a colleague from Messrs. Pickler and W. A. Stone, (Rep.) to

to the probable action of the Prentiss

law, a general revision of the revenue laws, to be introduced by the head of the executive department or the government or any of his clerks upon the prerogatives of the House.

He referred especially to the presents

at the last session of Congress of a

bill to prohibit the importation of

silver dollars.

Mr. Stone gave notice that tomorrow the House would proceed with the consideration of the bill under the five minute rule, with the expectation of reaching a vote before adjournment.

The committee then rose and the House adjourned.

YALE NOT IN IT

Boat Race Between Cornell, Colum-

bia, Princeton and Harvard-Tame Without Yale

TEACO, N. Y., Jan. 15 Dean White of the Cornell Athletic Council this afternoon gave out the following official

announcement as to rowing affairs.

Cornell having had an agreement

with Columbia and Pennsylvania

and also an agreement to row with Harvard in 1890 it was proposed that these two races be merged in a single Columbia-Cornell-Brown-Pennsylvania race. It was then agreed upon by Cornell, Columbia, Brown, and Pennsylvania to join in a four-sided race in 1891 with the understanding that no other crew shall be admitted against the opposition of any of the four universities.

This agreement was proposed Dec. 26

and was duly announced today.

The date has not yet been decided upon

but will be about the middle of June.

It is to be noted that the Cornell-Pennsylvania race is to be four miles.

It is probable that the freshman crew of these universities will also row together. Gen. C. Rivers has been selected for referee.

BALLOTTING FOR SENATOR

No Result Yet in Maryland Legislature.

ANNAPOLE, Md., Jan. 15 One hundred and nine votes for United States Senator were recorded today in the general assembly. Congressmen Wellington and 28, Goldborough 17, Westcott 16, Mulliken 8, Dryden 5, Mude and Dix 5, each branch having cast one ballot, though each gained 3 compared with yesterday's record. The Democrats gave Smith 21 and Page 9. After the roll call the joint convention adjourned until ten o'clock. Mr. Wellington and his friends were bending over to get a good result, but he had to give up, as he had no time to go before tomorrow's session. That means a majority of the Republican members and is sufficient to call a caucus and declare Mr. Wellington the party nominee. Very little attention was paid to general legislation.

THE SEED QUESTION

Secretary Morton Explains His Policies

WASHINGTON, Jan. 16 Secretary

Morton was before the joint committee

of the Senate and House this morning

for the purpose of explaining his failure to purchase seeds for distribution among the states.

Mr. Morton stated that he had been

requested to do so by the House

Committee on Agriculture.

He said that he purchased three full

quotas of seeds belonging to members of

Congress at \$16 each, while the same

amount was offered him by the Senate

Committee on Agriculture.

He will be seen to night if possible, and it is probable that the committee may meet to-morrow and report the bill. It is thought that Mr. Jones will permit the bill to be reported, without amendment, and that the Senate will pass it.

The bill, it is understood, will be sent

to the House of Representatives

on the same level with other schedules increased by the House bill.

Mayor and Police.

Mayor Snow taking the floor and addressing the Republican members of the Board of Aldermen for "contemptible partisanship" was a sight for gods and men. If partisanship is mixed up in this matter it would be funny if the Mayor was far from being in line with the promises of retrenchment and economy which he made last spring." It is said that the evening paper had not been able to discover any particular change in the Mayor's attitude as it states. In its news column that "the Mayor himself speaks favor of the rate." It would be funny if the Mayor should have a fit of independence and notify the *Courier* that for a change he had decided on at least one occasion to do his own thinking instead of having it done for him.

Quite an Original Discovery.

The Boston *Journal* says: With the conspicuous fairness and accuracy which are among its most engaging characteristics, the *Boston Herald* recently remarked that "the reciprocal intimacy between two free coinage and higher protection continues to be apparent as the nose of a man's face." It might have added to the minuteness of the paragraph that the *Herald* had accompanied it with a bill of particulars, but as it is the readers are left to their own devices to identify the especial circumstances to which it was alluding.

These circumstances can scarcely be the present condition in the National Senate, where a half-dozen free coinage senators are obstructing the passage of a revenue bill which confers that very "higher protection" the *Herald* hints to.

CHILDREN'S NERVES.

Fail as Often as Those of Adults.

YOUTH RESPONDS TO REMEDIES MORE QUICKLY THAN AGE.

Is Your Little One Nervous, Enchanted, Exhausted, Vigorous?

A Boston Mother Tells What Restored Health to Her Daughter.

Sensible people know that nervous debility, with all the evils to its train, is not confined to people of mature years. Children are subject to nervous debilities and lose vigor in blood and brain too quickly and the results are sure to be most serious. Fortunately youth responds to remedies more readily than age. Here is a case in point, which we believe is known to hundreds in New England:

"No. 28 Worcester Square, Boston, Dec. 11, 1895. Eureka Chemical & Mfg. Co., La Crosse, Wis.—Gentlemen: My little girl, who is now 10 years old, is delicate and nervous. I could get no help for her until I gave her Dr. Charcot's Kola Nervine Tablets. I gave her a tablet three times daily. She is now well, sturdy and full of vigor. Yesterdays, Mrs. Frank Moore.

Dr. Charcot's Kola Nervine Tablets,

the greatest remedy, compounded from the prescription of the most famous physician of the century, will do for your little child what it did for Mrs. Moore's daughter.

\$1.30 per box (one month's treatment).

Trust What Time Has Endorsed

There is not a medium in use to day which possesses the confidence of the public to so great an extent as Johnson's ANODYNE LINIMENT. For more than eighty years it has stood upon its own intrinsic worth and merit, while generation after generation has used it and transmitted the knowledge of its excellency to their children as a valuable inheritance. The best evidence of its extraordinary value is the fact that in the State where it originated is still the leading family medicine.

It is over sixty years since I first learned of the value of this Liniment, and I have used it myself for many years. I have used it in my practice, and have recommended it to my customers with it ever since. (over fifty years) with increasing sales. I now sell it in large quantities, and would like to call your attention to it. It is a Liniment to use for all purposes, and is safe, strong, and external, and should be used by every family for ready use in all cases.

JAMES KNOWLTON, Newburgh, Me.

It was invented by Dr. A. Johnson, of Bangor, Me., an old fashioned, noble hearted Family Physician. It is recommended by physicians everywhere. All who use it are amazed at its wonderful power and praise it ever after.

Johnson's Anodyne Liniment.

Every Mother should have it in the house, suffering children love it. It promotes an increase of vital activity in the system, and thus cures disease, its electric energy everlasting eradicates inflammation without irritation.

I have used over Johnson's Anodyne Liniment for more than forty years, and have found it to be a valuable Liniment. I have used it in my practice, and have recommended it to my customers with it ever since. (over fifty years) with increasing sales. I now sell it in large quantities, and would like to call your attention to it. It is a Liniment to use for all purposes, and is safe, strong, and external, and should be used by every family for ready use in all cases.

THOMAS CULLING, State Auditor, M.

I suppose I am the oldest Johnson's Anodyne Liniment user in the State. My grandfathers and parents used it, and I have found it superior to any other for family use. My great-grandparents continued to use it to this day. It is wonderful that I can write and speak of it. Dr. Johnson's Liniment is the best. (Myself, W. H. T. Teller, M.)

The Doctor's Signature and Endorsements are on every bottle. Price 50 cents each. Sold by druggists. Proprietors, L. S. JOHNSON & CO., 22 Custom House Street, Boston, Mass., Sole Proprietors.

MASON & PALMER.

The street railways in different places in this State have been making the most of the open winter. Electric roads, in former winters have been run at a loss, owing to the heavy expense of keeping the tracks clear of drifts, have been joggling along this season on a paying basis, making their trips with perfect regularity and carrying lots of passengers who would have been less liable to patronize the street cars if the inclement winter conditions had prevailed. Another place of people who have been riding along the surface of snow are the officers of Maine towns who had laid by some little sum with which to pay their "tolls bills." As the capital year ends with this month the bulk of the expense for clearing the highways will necessarily be carried over to the next administration, thus materially affecting the financial showing of the outgoing officers.

Wednesday forenoon the marriage of Miss Mary Bright McLaughlin and Mr. Charles Augustus Jones occurred at the residence of the bride's father, Mr. Fred A. McLaughlin on Fourteenth street. The ceremony was performed in the presence of only the immediate friends and relatives of the bride, by Rev. Mr. McEvily, rector of the Church of the Ascension at Waterville, R. I., who is an uncle of the bride. After the ceremony Mr. and Mrs. Jones received the congratulations of the company and refreshments were served by Miss Pease.

They left on the afternoon of Wednesday for a trip to Boston and other places. The bride is a very estimable and accomplished young lady and Mr. Jones is bookkeeper of F. A. McLaughlin's wholesale dry goods establishment. They received many handbills, including a handsome card and a check from F. A. Adams and a check from the employer in the store.

The ceremony was performed in the presence of only the immediate friends and relatives of the bride, by Rev. Mr. McEvily, rector of the Church of the Ascension at Waterville, R. I., who is an uncle of the bride. After the ceremony Mr. and Mrs. Jones received the congratulations of the company and refreshments were served by Miss Pease.

They left on the afternoon of Wednesday for a trip to Boston and other places. The bride is a very estimable and accomplished young lady and Mr. Jones is bookkeeper of F. A. McLaughlin's wholesale dry goods establishment. They received many handbills, including a handsome card and a check from F. A. Adams and a check from the employer in the store.

Wednesday forenoon the marriage of Miss Mary Bright McLaughlin and Mr. Charles Augustus Jones occurred at the residence of the bride's father, Mr. Fred A. McLaughlin on Fourteenth street. The ceremony was performed in the presence of only the immediate friends and relatives of the bride, by Rev. Mr. McEvily, rector of the Church of the Ascension at Waterville, R. I., who is an uncle of the bride. After the ceremony Mr. and Mrs. Jones received the congratulations of the company and refreshments were served by Miss Pease.
